The Lexington County Fair
Association

Will hold its 20th Annual

FAIR

On its grounds at Lexington, S. C.

OCT. 17, 18, 19, 1916

It is the aim and desire of the management to make this the largest, best, most attractive and successful Fair in the history of its organization. You are therefore invited to visit this splendid exposition which represents the progress and products of our county and state. You will meet old friends, make new acquaintances. Besides, there's mirth and music galore; also fine horses that will be exhibited in the arena, splendid array of attractions and joy making stunts that will simply drive dull care and the blues away. So come along with your friends and comrades. The welcome sign hangs everywhere. Be sure to come.
